## LOCAL TIN-TYPES

## FROM OUR REPORTERS' POCKET CAMERAS.

Yesterday in the City. What was Done and Said by Home-Folks and Strangers.—The Gossip of the Town as Taken from the Pen of our Correspondents at the Court and Departments.

**SENDING GOODS TO NEW YORK.**—A. & S. Rosenfield, the Whitehall street clothiers, yesterday received an order from Putnam county, New York, for an overcoat. The order was filled and shipped yesterday evening.

**THE SUPERIOR COURT.**—For the past two days the Fulton superior court has been engaged in the trial of the suit brought by W. G. Newman against John Neal. Yesterday a verdict was rendered giving the plaintiff \$2,300 principal, with accrued interest.

**BEAUTIFUL SPECIMENS OF GOLD.**—One of the brothers of the firm of Messrs. T. J. and J. G. Maddox, is in the city, and exhibits some very fine specimens of gold from his mine in the northeastern part of Heard county. They are not regularly working it; have no machinery or mill, the gold exhibited by them having been panned out.

**CATCH IN THE HOUSE.**—Last night Rob Stevenson, who keeps a billiard saloon on DeCATUR street, and who resides at No. 6 Ivy street, was aroused from his sleep by a noise in his bed-room. A glance showed him that a burglar was pilfering his bureau, and in an instant a hand-to-hand conflict was taking place. The burglar, however, managed to shake Stevenson's grip and escaped through the window.

**FIFTEEN THOUSAND DAMAGES.**—In the clerk's office of the city court suit was entered yesterday by Mr. Hoke Smith attorney for Mr. Homer Smith vs. the Richmond and Danville railroad company for fifteen thousand dollars damages. The suit had its origin on the 28th day of July, 1881, near Buford. Mr. Smith was then and there struck by an engine, and the injuries received caused the action.

**HESSE OPERA COMPANY.**—The last night of the engagement of this troupe at DeGives' opera house, the "Chimes of Normandy" was played to a one thousand dollar house. General Sherman, and a party of gentlemen occupied a private box during the evening. So well pleased was Mr. Hesse with his success in Atlanta, that he will return with the troupe and occupy the theater the nights of the 1st, 2d and 3d of December.

**COMPLIMENTARY.**—We note with pleasure that General L. J. Gartrell, Atlanta's brilliant lawyer, and one of the most noted legal gentlemen in the south, is being prominently spoken of as Georgia's next governor. General Gartrell is a man of great intellect, a successful financier, and a Christian gentleman, and in the whole state there could not be found a man who could fill the office more worthily or more satisfactorily to the people. —Rome Bulletin.

**LET THE PHYSICIANS READ.**—During the recent session of the legislature a bill requiring all of the physicians of each county in the state to register their names at the clerk's office of the superior court was passed. The bill provides that any physician who fails to register, and who continues the practice of medicine, is liable to a fine of from \$100 to \$500. An inquiry at the clerk's office yesterday, disclosed the fact that less than one-half the physicians of Fulton county have registered. The time expires December 1st.

**ORANGE BLOSSOMS.**—In Washington, Ga., yesterday morning, one of Atlanta's most popular young men and one of Washington's most beautiful young ladies were married. The parties were Mr. E. W. Hewitt and Miss Mattie Sims. The ceremony took place at the residence of the bride's father, near Washington, and was performed by the Rev. D. M. Callaway in a most impressive manner. The attendants were Miss Mary White, Atlanta, Dr. John J. Hill, Washington; Miss Annie Callaway, Washington; Mr. S. R. Sims, Washington; Miss Annie A. Hill, Washington; Mr. C. E. Seiple, Atlanta; Miss Mattie P. Hill, Washington; Mr. W. L. Sims, Atlanta. The list of presents was long and varied. The bride and groom will return to Atlanta after a short visit to friends in Richmond, Va.

**NORTH PRYOR STREET.**—Thankful for small favors, we of this favored locality are hopeful, and believe that in the course of time it will be possible for us to reach our homes without irreparable injury to our persons or best clothes. As it is not considered the correct thing in society to appear with pants stuck into the tops of boots, we who have yet to make our mark as great financiers and such, and it hard work to meet all the requirements. Our most worthy commissioners, who have done so much to make up for the short comings of the queen of night, are tearfully requested to persevere in the good work, and thousands yet unborn will bless them. A great German philosopher has said somewhere, "perseverance will make you very like other people." There is good food for it here, and while this city is on dress parade, it is not tell that one of the great thoroughfares should be left the most unattractive part of the exposition. —ONE OF EM.

**WILLIE EDWIN'S SPARKS COMPANY.**—Occupied DeGives' opera house last night, and a very large and intelligent audience was present. Truly Willie could not have asked for a better reception. "Dreams, or Fun in a Photograph Gallery," a quaint and queer conceit, was the play, full of humor, possessing much wit, and brought before the audience some new and pretty songs and airs. The first act shows the Brink family at home. In this act Edwin plays an old man of 70. In his chimney corner he falls asleep and dreams a dream. This dream forms the basis for the real play, in which is fun unlimited, and in which the whole company appears, some in several different characters each, giving songs, dances, imitations and all sorts of funny and enjoyable bits of acting. "Dreams" was a decided hit, in its way, and a repetition of it tonight will furnish pleasing entertainment for those who wish to laugh. Every member of the company is an artist in his or her line of business.

**TORRES.**—The Cincinnati delegation is quartered at the Exposition hotel. —The Central train, which arrived yesterday morning, brought in over six hundred passengers. —The West Point passenger train brought up over five hundred people yesterday. —The State road trains yesterday brought in large delegations from Rome, Kingston and Dalton. —The carshed was fuller yesterday than ever. —Ballard's baggage men handled over a thousand trunks yesterday.

**PERSONAL.**—LeRoy D. Jones, of the Nashville American, was in the city yesterday.

## THE COURT.

**SUPREME COURT OF GEORGIA, Nov. 16.**—List of circuits showing the cases remaining undisposed of: Augusta circuit, 17; Middle county, 2; Oconee circuit, 8; Brunswick circuit, 3; Eastern circuit, 7; North Georgia circuit, 11; Atlanta circuit, 46.

**REEL OF PROBATE CIRCUIT.**

No. 51 Atlanta. Disqualification of Judge Lawson certified to the governor. No. 6 Flint. Jones vs. Crawley et al. Injunction from Pike. Argued, Henry Walker; J. E. Blackley, for plaintiff in error. No appearance for defendants. No. 50 Atlanta. Johnson et al., administrators, vs. al. Reur McCay & Abbott, for plaintiffs in error. A. B. & H. L. Culbertson, for defense.

**AUGUSTA CIRCUIT.**

No. 2 Cunningham et al., vs. Schley et al. Equity, from Richmond. Argued, Foster & Lamar; J. C. C. Black, for plaintiffs in error. W. W. Montgomery, for defendants.

No. 7 Byrne, guardian, et al., vs. Anderson. Appeal from court of ordinary, from Burke. John J. Jones; H. D. D. Twigg, for plaintiffs in error. J. S. Hook; W. W. Montgomery; H. E. W. Palmer, for defendant.

Pending argument of Mr. Jones court adjourned until 9:30 a.m. to-morrow.

We have personal knowledge of great benefits derived from the use of St. Jacobs Oil. When we get a supply of Oil, we don't pretend to put the bottles in our medicine case; we merely open the boxes, have them set in a convenient place, sell out of the box and open another. It seems as though we retail a dozen a day.

PRICE & HENRY, Druggists, Burlington, Iowa.

—Spurgeon's health is very delicate, and he will spend most of the winter at Mentone.

**Consumption Cured.**

BALTIMORE, Md., February 12th, 1881.

Upon the recommendation of a friend, I tried Brown's Iron Bitters as a tonic and restorative for my daughter, whom I was thoroughly convinced was fast wasting away in Consumption. Having lost three daughters by the terrible disease, under the care of eminent physicians, I was loth to believe that anything could arrest the progress of the disease; but to my surprise, before my daughter had taken one bottle of Brown's Iron Bitters, she began to mend, and is now quite restored to her former health. A fifth daughter began to show signs of consumption, and when the physician was consulted, he quickly said, "Tonics were required!" And when informed that the elder sister was taking Brown's Iron Bitters, responded, "That is a good tonic, take it."

**Y. M. C. A. Notice.**  
The week's series of meetings for prayer in the interest of young men and Christian work among them was continued last evening at the First Baptist church, and will be followed up by a meeting to-night in First Methodist church. Topic: Opposite characters making opposite choices. All friends of the work among young men are cordially invited to attend.

**Shooting Hall.**  
Immense attendance last night. The fox, Mr. Eb. Wells, walked off with the prize, but was crowded by Mr. John Dodd, who deserves much credit as a fast skater. Mr. George Lawshe made quite a hit as an amateur "skater," and attracted much attention and continued applause. The rink deserves success and should receive your patronage. Something exciting will take place every Wednesday night. Don't fail to go, for you will enjoy yourself.

**His Feet Were Almost Rotten.**  
Macon, Ga., March 14, 1881.

Dear Sir: The Sanoline I got from you acted better than anything I have ever used. I cured one horse of a terrible case of scratches. His feet were almost rotten. In a few days it was well. I cured another horse of a sore back of the worst kind in a few days with Sanoline, after trying various remedies without success. I consider it a valuable remedy, and shall keep supplied with it. Respectfully,

**GRAND SPECIAL DAY**  
—AT THE—  
**INTERNATIONAL**

**COTTON EXPOSITION!**

the executive committee, to meet a demand, urged from many quarters, has set apart

as a day particularly devoted to the visits of the students of colleges and pupils of schools, and of persons who are engaged in the various industrial and manufacturing establishments of this and neighboring states.

The exposition has more the title of a

**GREAT TECHNICAL SCHOOL,**  
and should be visited and studied by every mechanic and artisan engaged in the workshops and factories of the country. It is calculated in a remarkable degree to stimulate the studies, inform the minds and excite the ambitions of the young people now pursuing their studies in our institutions of learning.

**Every Parent, Teacher and Employer**  
should unite with the management of the exposition in signaling this special occasion by an immense attendance of those for whose benefit and pleasure it has been set apart.

**RULES FOR ADMISSION**  
The following regulations will control the admission of employees and pupils of schools:

1. The admission fee will be, for such pupils and employees.

**25 CENTS EACH!**

2. The beneficiaries of the day will be admitted at the reduced rates only when presenting themselves in parties of ten or more.

3. Presidents of colleges and principals of schools, where they are not able to accompany their pupils in person, or to send a teacher with them, are requested to designate some one of the party as the leader, and furnish such leader with a certificate of the fact.

4. Employers of persons engaged in manufacturing and desiring to attend on this day will also furnish to the leaders of parties certificates of that fact.

5. There will be special admission gates for those entering under this rule, and the leader of each party will have the full amount, at 25 cents each, ready to hand the gatekeeper to save delay.
